Principal's Message

I am honored that you have asked me to write a few lines for the '57 Rambler.

Let me state simply that your class has often pleased me, sometimes surprised me, and rarely disappointed me. You have integrity, loyalty, initiative, and common sense. I hope each of you continues to develop these excellent qualities throughout his lifetime.

Dedication

To some he has been a teacher—those of us in his classes will never forget his sincerity, understanding, and the sense of humor with which he presented his subjects.

To some he has been a coach—those of us who played on his teams will never forget the sportsmanship he taught us and the manner in which he led us through victory and defeat.

To all he is a friend—his personality, helpful advice, and genuine interest in each of us will always be foremost in our memories.

To you, Mr. Lyford, a teacher, coach, and friend, we proudly dedicate our yearbook.

As we leave Northfield High School and take the first step into our future, we are taking many memories with us. Especially we will carry away thoughts of our first two years at the old building . . . the crowded coat-rooms, the steep stairs, the creaky desks. With the coming of our fine new school, these inconveniences became things of the past. But we lost something, too . . . the feeling of intimacy which was so much a part of the old building, and the fifty years of tradition which surrounded it that must be slowly rebuilt for our new school.

Class History

Our class, numbering around eighty-five, entered into the high school spirit in the fall of 1953 with the aid of Mr. Crane, our principal, and Mr. Mahoney and Mr. Swenson, our class advisors. After we had planted our feet on solid ground, we elected our class officers as follows:

<i>President</i>	JOHN CRUICKSHANK
<i>Vice President</i>	JOSEPH FIARKOSKI
<i>Treasurer</i>	NELITA SARGENT
<i>Secretary</i>	SALLY NADON
<i>Social Chairman</i>	NATHALIE BOROZNY
<i>Student Council</i>	DAVID DENNY and ROGER LITTLE

We soon attended our first formal dance, the Freshman Reception, which was given in our honor by the Sophomore Class. Everyone entered into the spirit of the one-act plays, and we successfully presented "The Importance of Being Earnest" under the direction of Mrs. Suitor. These were the highlights of our first year

We started our sophomore year by electing for class officers:

<i>President</i>	JOHN CRUICKSHANK
<i>Vice President</i>	JOSEPH FIARKOSKI
<i>Treasurer</i>	CARLIE GOODRICH
<i>Secretary</i>	SALLY NADON
<i>Social Chairman</i>	NELITA SARGENT
<i>Student Council</i>	DAVID DENNY and ROGER LITTLE

In October we sponsored the Freshman Reception under the guidance of our advisors, Mrs. Suitor, Mr. Parker, and Mr. Chapman. This year we changed the tradition of the dance from formal to informal.

In the fall of 1955 we entered the new high school. With the help of our advisors, Miss Genine, Mr. Riley, and Mr. Moyles, we began our year by electing the following slate of officers:

<i>President</i>	ROGER LITTLE
<i>Vice President</i>	JOSEPH FIARKOSKI
<i>Treasurer</i>	PATRICIA MORSE
<i>Secretary</i>	CARLIE GOODRICH
<i>Social Chairman</i>	SALLY NADON
<i>Student Council</i>	NELITA SARGENT DORIS DONAHUE CHARLES WHITE

Class History

In May we presented the Senior Prom using the theme, "Underwater Wonderland," which was indeed a big success. The student body chose Michael Philip and Geraldine Hatch to reign over the dance as King Neptune and Queen of the Sea.

Nathalie Borozny and Robert Morse were chosen to represent Northfield High School at the Model United Nations Assembly held at Plymouth, New Hampshire. The honors of Girls' and Boys' State were given to Sally Nadon, Nelita Sargent, James Rogers, John Cruickshank, Roger Little, and David Denny.

Robert Morse was elected editor of the "Rambles," and James Rogers and Sally Nadon were chosen as co-editors of the "Rambler."

At last we began our final year, with our new principal but old friend, Mr. Pierce. With Mr. Gammons and Mrs. Sargent as our advisors, we elected the following officers:

President	ROGER LITTLE
Vice President	JOSEPH FIARKOSKI
Treasurer	ROBIN EDGERTON
Secretary	DORIS DONAHUE
Social Chairman	SALLY NADON
Student Council	JAMES WILLETTE, JAMES ROGERS, SALLY OWEN, and NATHALIE BOROZNY

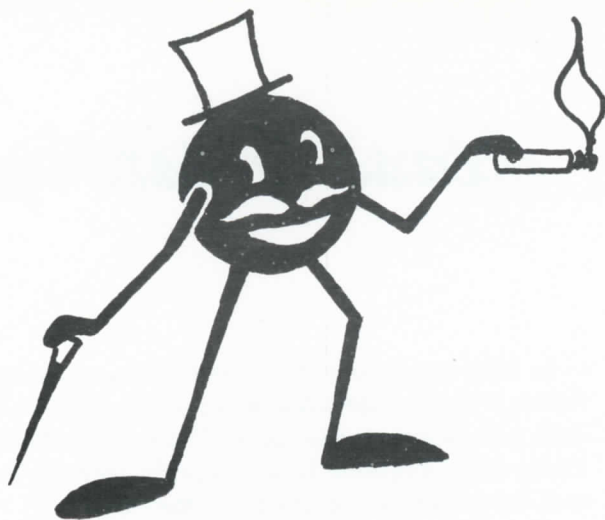

This year our class sponsored the annual Farmers' Ball and the Christmas Ball, both of which were big successes.

In November we presented the annual Senior Play; a three-act comedy entitled, "Act Your Age." This was successfully done under the capable direction of Mrs. Lawrence and her assistant, Mr. Scott.

Patricia Morse was awarded the honor of Good Citizenship Girl and Robert Morse, Good Citizenship Boy.

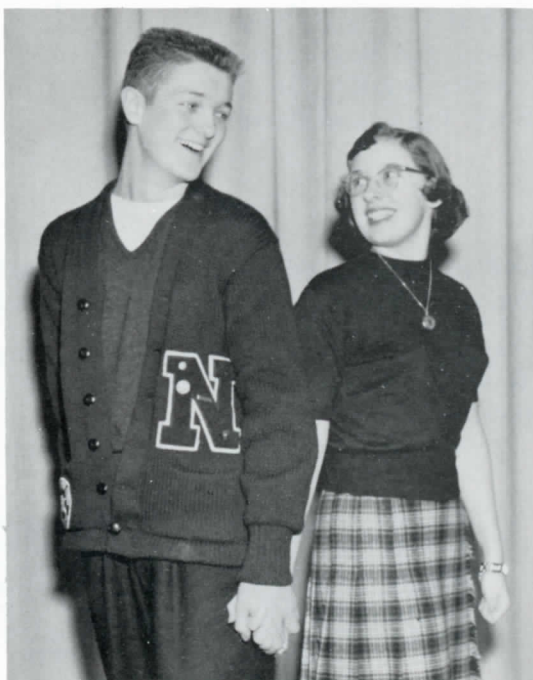

Our big undertaking this year has been the production of our yearbook. A fine job has been done by our two editors and their staff with Mrs. Sargent as advisor; and we are proud of our publication.

Now that graduation time is here, we look forward to the future remembering always our motto: "God is Our Guide."

The Student Council has had one of their busiest years under the supervision of Mr. Scott. They have laid the foundation for the organization of a Safe Driving Club, created a new budget, and undertaken the revision of the first draft of their constitution, in addition to assuming the duties of previous years. It can be truly said that the council has, in the words of its constitution, "developed attitudes of, and practices in, good citizenship; promoted harmonious relationships throughout the school; improved student-teacher relationships; improved school morale; assisted in the management of the school; provided orderly direction of school activities; and promoted the general welfare of the school and student body."

Senior Play

Our senior play, *Act Your Age*, was presented on Friday, November 30, and Saturday, December 1. Through the cooperation of the directors, Mr. Scott and Mrs. Lawrence, the play was a big success.

Act Your Age was the hilarious account of two sailors who had shore leave at the home of two girls, not realizing that the girls were only fourteen years old. Their stay was complicated by the arrival of the girls' aunt disguised as a ten-year-old, and the sudden appearance of their commanding officer. The two maids and the messenger boy added to the merriment and confusion. The problems that were encountered and the manner in which they were solved made a comedy which provided an entertaining evening.

Library Club

With Mrs. Abare as their advisor the Library Club began an extensive cataloging of the many new books purchased by the school this year. Service to the student was the key note as every member cooperated in building our school library into a convenient place for reference work.

Musical Organizations

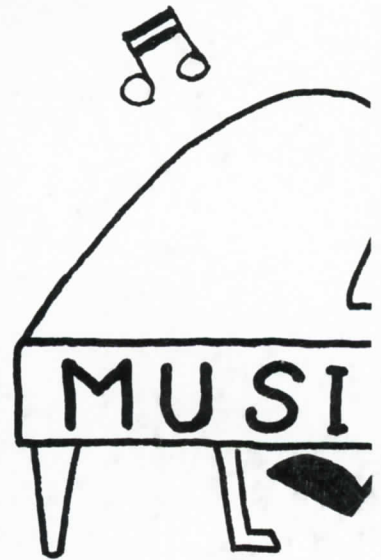

Montreal Group

This year Northfield High School sent four representatives to the Fourth Annual Montreal International Music Festival. It is the first time that Northfield has been invited to attend; and we hope that we will be able to go again. This trip was made possible by a generous gift to the Northfield High School Music Department by a friend.

Soccer

Starting his second year of coaching here at N. H. S., Coach Lyford fielded a veteran soccer team led by eleven starting lettermen. Once again we were a member of the six team Tri-County Soccer League. These ten games in which we posted a 7-2-1 record to give us second place in the league along with two supplementary games with South Royalton provided us with a relatively heavy twelve game schedule. Led by our captain and goalie, Joe Fiarkoski, we were able to post an impressive 9-2-1 record. Our winning record plus our "flashy" new black and white uniforms brought out new spectator interest among the townspeople and the high school students.

For the second year in a row, Northfield missed becoming the Northern "B" Champions by 30 seconds. The Marauders started the season slowly and lost games to Class "A" teams, Burlington and Cathedral. They came back to take revenge games on their home court from both highly regarded teams. Then they went into their own Green Mountain League with a pre-season 5-2 record. The Marauders took 10 straight games before dropping a one-point overtime verdict at Newport. A week later they clinched first place in the Green Mountain League at St. Johnsbury. The Maroons ended their regular season with a record of 18 wins—4 losses including a 12 and 2 record in the League.

Varsity Basketball

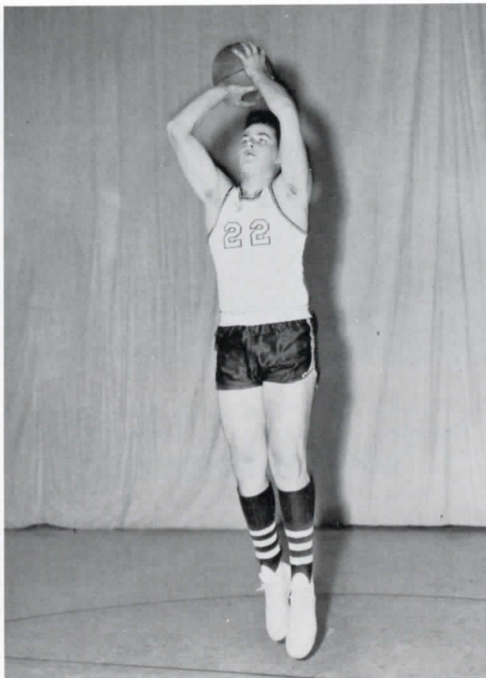

In the Northern Class "B" Tournament, Northfield drew a straight berth, facing Newport, the winner of a double play-off. After being held down in the first half by the Newport Hawks, the Marauders broke loose in the last half for an easy 64-44 victory. Facing Peoples Academy the next afternoon, Northfield fought an uphill battle and finally went ahead with 30 seconds remaining, only to see a Morrisville player cut the strings to send N.H.S. to defeat. In the post-game ceremonies, Joe Fiarkoski and Gary Elmer were chosen for the All-Tourney Team.

Nine senior boys played their last high school basketball game, and next year Coach Lyford will have to rebuild in the hopes of another crack at the State Title.

Consisting mostly of freshmen, the J.V. squad compiled a fine 14-8 record. They showed excellent ability as individuals, as well as a team. Their fine record promises many more successful years for the Varsity.

Rifle Club

Again in the 1956-57 rifle season, the Northfield High Team maintained a good record. Under the expert coaching of James Beattie, Sr., and assistant coaching of Gary Beattie, the team made a name for itself in shooting circles throughout New England. During the year, shoulder to shoulder and postal matches were held with teams all over the United States.

As the regular season comes to a close, Northfield is tied with Burlington in the State Postal League with 16 wins and 4 losses.

Northfield High is also ranking high in National Junior Club Postal Matches. At the Vermont State Junior Tournaments, both of which are to be fired soon, Northfield has an excellent chance of finishing first among the opposing contenders.

Military instruction, practice and discipline are required of all cadets throughout their stay in college, in faith that a citizen is not fully equipped for his duty to the State unless he is trained for service in its defense as well as for its upbuilding. The story of our Nation's struggles for existence justifies this faith.

"The liberties of Rome were safe while military information was generally diffused and every Roman citizen considered and felt himself a soldier." Captain Alden Partridge, Founder of Norwich University.
